Dear Mark & Club Members:

On behalf of the Alexander Graham Bell Montessori and AEHI School I would like to thank you for your generous donation of \$6,000.00. This money helps to support the work of our Montessori School and Deaf Services department. Enclosed is a receipt for tax purposes.

Each year AGBMS-AEHI continues to advance its mission of ensuring all children are treated with dignity and respect. We enable children with a wide range of unique gifts and needs to reach their highest potential academically, socially, and emotionally, while also cultivating in them an appreciation for diversity and respect for the world in which they live; and by pioneering a nationally recognized program for successfully educating children who are deaf or hard of hearing and children with other special needs. Through our Montessori and Cued Speech programs we have seen many lives changed for the better.

The goal of AGBMS-AEHI is to continue to make a difference in the lives of children and their families. With the help of donations from supporters such as you we will continue to see children growing and thriving and becoming model citizens.

Thank you again for your generous support of our efforts to provide a well-rounded education for all of the children we serve.

Best regards,

Debra Trude-Suter, PhD
CEO/Executive Director
